PANORAMA OF COLLEGE HILL.

Catalogue . . . . . .

of the

Officers and Students

of

Maryville College

Tennessee

For the Year 1894-95

Philadelphia
MacCalla & Company, Prs., 237-9 Dock Street
1895

Board of Directors.

CLASS OF 1895.

Rev. Jere Moore, D.D.,
Rev. S. A. Coile,
Rev. B. B. Bigler,
Rev. A. J. Coile,
Rev. W. H. Lyle,
Rev. W. H. Franklin,
Rev. J. M. Alexander,
Rev. B. F. Guille,
Hon. W. P. Washburn,
John C. McClung,
Judge J. P. Smith,
J. P. Hooke, Esq.

CLASS OF 1896.

Rev. E. A. Elmore, D.D.,
Rev. R. R. Sutherland, D.D.,
Rev. James H. McConnell,
Rev. E. C. Mason,
Rev. W. A. Ervin,
Rev. W. C. Clemens,
Rev. Thomas Lawrence, D.D.,
Rev. D. A. Clemens,
Hon. W. A. McTeer,
W. B. Minnis,
A. R. McBath, Esq.,
Jos. A. Muecke.

CLASS OF 1897.

Rev. W. J. Trimble, D.D.,
Rev. C. A. Duncan, D.D.,
Rev. J. W. C. Willoughby, D.D.,
Rev. J. E. Alexander, D.D.,
Rev. J. P. McMillan, D.D.,
Rev. C. B. Lord,
Rev. W. R. Dawson,
Rev. John S. Eakin,
Hon. W. L. Brown,
Hon. W. O. White,
Ben Cunningham,
T. G. Montague.

Rev. W. H. LYLE,
President.

Major BEN CUNNINGHAM,

. . . . . *Librarian and Registrar.*

WILLIAM THOMAS,

. . . . . *Janitor.*

Mrs. A. A. WILSON,

Manager of the Coöperative Boarding Club.

STUDENTS.

College Department.

Senior Class.

CLASSICAL COURSE.

Gaines, Isaac Allison,	Bloomingdale.
Penland, Francis Alexander,	Beech, N. C.
Ritchie, James Lincoln,	Marissa, Ill.
Sevier, William Robertson,	Jonesboro.
Takahashi, Kin,	Yamaguchi, Japan.
Wallace, Paris Arthur,	Greenback.

LATIN-SCIENTIFIC COURSE.

Franklin, Lydia,	Grandview.
Levering, Ralph Griffith,	Maryville.
Marston, Martha,	Maryville.

ENGLISH-SCIENTIFIC COURSE.

Rule, Peter,	Rockford.
Welsh, Howard Martin,	Lincoln.

Junior Class.

CLASSICAL COURSE.

Bartlett, Mason Alden,	Maryville,
Boardman, Roger Sherman,	Maryville.
Davis, James Allen,	Maryville.
Ewing, James Moses,	Rose Hill, Va.
Hafley, George,	Bank.
Newman, Jonathan Houston,	Piedmont.
Parker, Samuel Boyd,	Knoxville.
Wilson, Clement Ernest,	Maryville.

LATIN-SCIENTIFIC COURSE.

Caldwell, Cora Brewer,	New Market.
Goddard, Edith,	Maryville.
McCall, Harvey Boyd,	Knoxville.

ENGLISH-SCIENTIFIC COURSE.

French, Charles Michael,	Flenniken.
Mayo, Solon Anderson,	Eve Mills.

Sophomore Class.

CLASSICAL COURSE.

Alexander, Leo,	Meadow.
Caldwell, Lucy Emma,	New Market.
Caldwell, Margarite Ellen,	New Market.
Carnahan, Sara Margaret,	Maryville.
Crawford, John Calvin,	Maryville.
Davis, John Nicholas,	Flat Gap.
Freeman, Minnie Belle,	Dover, N. J.
Henry, Joseph Herbert,	New Market.
Sabin, Edward James,	Anna, Ill.

LATIN-SCIENTIFIC COURSE.

Brown, Hadley Cyprian,	Columbus Junction, Ia.
Farnham, Mary Maud,	Jonesboro.
Ferris, Pliny Brokaw,	Glendale, Ohio.
Haworth, Anna Belle,	Maryville.
Mason, Mary Nell,	Jonesboro.
Minnis, Helen Ianthe,	New Market.
Montgomery, Edward,	Mannington, W. Va.
McSpadden, Nellie,	New Market.
Nuchols, Thomas Lamar,	Maryville.
Smith, Paul Lloyd,	Crawfordsville, Ga.
Spence, Raymond,	Cincinnati, Ohio.

ENGLISH-SCIENTIFIC COURSE.

Brown, William Alfred,	Clinton.
Coker, Laura,	Louisville.
Goddard, Ulrich Von Hutten,	Maryville.
Henry, Belle,	Maryville.
Leeper, Solomon Edward,	Maryville.
McBath, Edgar Woolsey,	Maryville.
Pflanze, Louis,	Maryville.
Raulston, Margaret Elizabeth,	Strawberry Plains.
Robbins, John Raphael,	Dutch Valley.

Freshman Class.

CLASSICAL COURSE.

BIDDLE, JOHN EDMUND,	White Pine.
CALDWELL, FAYE VILERIE,	New Market.
CAMPBELL, FREDERICK STARR,	Knoxville.
EDMONDSON, JOHN OAKLEY,	Knoxville.
FARIS, PAUL PATTON,	Pittsburgh, Pa.
FRANKLIN, HARRIET ANNE,	Dandridge.
FRANKLIN, HUGH MCCALL,	Dandridge.
GAMBLE, MOSES HOUSTON,	Maryville.
HAMMONTREE, WILLIAM DIVINE,	Greenback.
HARRIS, SAMUEL ALBERT,	Mossy Creek.
KENNEDY, WILLIAM FRANKLIN,	New Market.
LILLARD, THOMAS BARTHOLOMEW,	Maryville.
MAGAÑA, TOBIAS,	El Paraiso, Mex.
MAGILL, CHARLES NEWTON,	Maryville.
MCSPADDEN, EMMET ALVA,	New Market.
RANKIN, SAMUEL HULL,	Mossy Creek.
RITCHIE, JOHN WOODSIDE,	Marissa, Ill.
SCHAEFFER, CHARLES THOMAS,	Maryville.
SMITH, ELMER BRUCE,	Jonesboro.

LATIN-SCIENTIFIC COURSE.

BARR, RUSSELL TUTHILL,	Quincy, Ill.
DUNCAN, FRANCIS ALEXANDER,	Columbus Junction, Ia
GRIFFEN, WALTER JOSEPH,	Maryville.
HARMON, WILLIAM EDGAR,	Ellejoy.
HASTINGS, MARY LENA,	Maryville.
HULL, GEORGE CHARLES,	Maryville.
IDDINS, JOSEPH FRANKLIN,	Maryville.
LOVE, KATIE,	Knoxville.
MCCLUNG, ETTA,	Greenback.
ROWAN, JAMES EDGAR,	Maryville.
RUBLE, WILLIAM CRAWFORD,	Maryville.
SMITH, JULIA HORTENSE,	Union Point, Ga.
THOMPSON, JESSE JOSEPH,	Springvale.
YOUNG, CORDELIA JOSEPHINE,	Mill Creek.

ENGLISH-SCIENTIFIC COURSE.

ANDERSON, MARY,	Ford.
FARMER, WILLARD OSCAR,	Tuckaleechee.
FELKNOR, SAMUEL JASPER,	Witt's Foundry.
FRENCH, STELLA DOROTHY,	Flenniken.
GILLESPY, MARTHA ELLEN,	Miller's.

Greer, Arthur Wilson Tucker,	Maryville.
Hamby, Otis,	Rugby.
Hood, Nina Augusta,	Knoxville.
Kennedy, Earl Wright,	Rockford.
Kidd, Annie Belle,	Maryville.
McCammon, Mary Cowan,	Maryville.
McCroskey, Anna Mary,	Glenloch.
McNutt, Nora Mary,	Maryville.
Rule, Ben Cunningham,	Maryville.
Swan, Minnie Ellen,	Wellington, Kans.
Tedford, James Uhl,	Maryville.

SPECIAL STUDIES.

Bartlett, William Thaw,	Maryville.
Broyles, Lina Carnes,	Maryville.
Carmelia, Nellie,	Westville, N. J.
Carnahan, Mary Gaines,	Maryville.
Chapman, Jennie Price,	Meadow.
Davis, Wily Anderson,	Ellejoy.
Edmondson, Annie,	Maryville.
Engel, Frank Jesse,	Maryville.
Moore, Minnie Cate,	Cate's Cross Roads.
Parks, Emma Jo,	Knoxville.
Taylor, Ed.,	Maryville.
Taylor, James Milburn,	Maryville.
Toof, Frank Lee,	Rockford.

MUSIC ONLY.

Clemens, Pearl,	Maryville.
George, Myrtle,	Maryville.
Goddard, Annie,	Maryville.
Henry, Maggie Park,	Maryville.
Howard, Cornelia,	Maryville.
Huddleston, Albert,	Maryville.
Newby, Anna,	Maryville.

STUDENTS.

Preparatory Department.

Senior Class.

CLASSICAL COURSE.

Bell, Estella Jeannette,	White Pine.
Boyd, Martin Luther,	Maryville.
Elmore, Carl Hopkins,	Knoxville.
Gamble, William Leander,	Maryville.
Hackney, Francis Joseph,	Friendsville.
Layman, Daniel Frank,	New Market.
Lillard, Rutherford B. Hayes,	Maryville.
McCulloch, John Alexander,	Ellejoy.
Peters, Absolom Barton,	Burrville.
Post, Richard Walter,	St. Andrews, Fla.
Toole, Wallace Otis,	Maryville.
Venable, Joseph Glass,	Troy, Ala.

LATIN-SCIENTIFIC COURSE.

Alexander, Mary Ellen,	Brick Mill.
Cleveland, Joseph,	Clear Spring.
Fields, Samuel Robert,	Tomotley.
Jackson, John Pickens,	Brick Mill.
Kennedy, Dora,	Kangaroo.
Kennedy, Mary Lawrence,	Kangaroo.
McReynolds, Nellie May,	Friendsville.
Parsons, Ida,	Maryville.
Penland, Laura Lucinda,	Beech, N. C.

Middle Class.

CLASSICAL COURSE.

Alexander, John Homer,	Meadow.
Butler, Concie Lee,	Birmingham, Ala.
Campbell, William Albert Edward,	Kitchen, Ohio.
Chandler, Charles David,	Maryville.

Cunningham, Clay,	Maryville.

The Courses of Study.

The outlines of the three courses of study in the Collegiate and Preparatory Departments of the institution explain themselves. It is believed that these courses will continue to commend themselves as thorough, conservative and yet progressive, and as being abreast of those pursued in the best of our sister institutions.

The CLASSICAL COURSE is the best adapted to the thorough and symmetrical development of all the intellectual powers of the student, and will graduate men fully equipped for the highest demands that may be made of college-bred men anywhere. The LATIN-SCIENTIFIC COURSE is adapted to those who wish to substitute French or German for Greek, and who have to abridge their curriculum one year in the Preparatory Department. The ENGLISH-SCIENTIFIC COURSE provides as useful a training as can be afforded without Latin and Greek, in the prescribed limits, for those who for any reason are unable to pursue either of the other courses of study. The Professors in charge of the various departments endeavor to employ the latest and most approved methods of class-room drill, and to inspire the students with the spirit of modern scholarship.

The Preparatory Department.

The facilities of the Preparatory Department have been greatly increased by the erection of the Fayerweather Annex. This department thoroughly prepares students for college, and also provides sufficient facilities for the instruction of a large and worthy class of young people who desire academic instruction, but do not wish to devote the necessary time and means to secure a collegiate education. For the special benefit of teachers and irregular students, classes are formed each term in the

common branches, and in Algebra, Latin, Greek and Pedagogy. Special attention is given to the training of teachers and of those preparing to teach.

This department is under the special supervision of the Principal, and most of the work of the department is done by him and three assistant teachers. Other members of the Faculty participate in the work of instruction. With the exception of the Seniors of the Classical Course, the students of this department are required to study under the supervision of a teacher.

The Classical Course.

Freshman Year.

FIRST TERM.

LATIN.—Livy; Collar's Composition; four hours a week.
GREEK.—Herodotus; Prose Composition; four hours a week.
MATHEMATICS.—Wentworth's Geometry; five hours a week.

BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

Middle Year.

FIRST TERM.

LATIN.—Cæsar; Collar's Composition; five hours a week.
GREEK.—Hadley and Allen's Grammar; White's Beginner's Greek Book; five hours a week.
MATHEMATICS.—Milne's High School Algebra; five hours a week.
ENGLISH.—Word Study.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

SECOND TERM.

LATIN.—Cicero's Orations; Collar's Composition; five hours a week.
GREEK.—Hadley and Allen's Grammar; White's Beginner's Greek Book; Anabasis begun; five hours a week.
MATHEMATICS.—Milne's High School Algebra; five hours a week.
ENGLISH.—Word Study.
NATURAL SCIENCE.—Walker's Physiology; three hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

Senior Year.

FIRST TERM.

LATIN.—Virgil; Collar's Composition; four hours a week.
GREEK.—Goodwin's Anabasis, two books; Grecian History; Geography of Ancient Greece and Asia Minor; seven hours a week.
MATHEMATICS.—Wentworth's Complete Algebra; five hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

SECOND TERM.

LATIN.—Sallust; Roman History; four hours a week.
GREEK.—Homer's Iliad; Mythology; Geography; five hours a week.
MATHEMATICS.—Wentworth's Complete Algebra; five hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

The Latin-Scientific Course.

Freshman Year.

FIRST TERM.

LATIN.—Virgil; Collar's Composition; four hours a week.
MATHEMATICS.—Wentworth's Algebra; four hours a week: Wentworth's Geometry; five hours a week.
ENGLISH.—History of England; History of the English Language; three hours a week.
NATURAL SCIENCE.—Packard's Zoölogy; three hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

SECOND TERM.

LATIN.—Sallust; Roman History; four hours a week.
MATHEMATICS.—Wentworth's Algebra; five hours a week: Wentworth's Geometry; four hours a week.

English.—General History; three hours a week.
Natural Science.—Wood's Botany; two hours a week.
Bible.—One hour a week.
Rhetorical Drill.—One hour a week.

Sophomore Year.

FIRST TERM.

Latin.—Livy; Collar's Composition; four hours a week.
Mathematics.—Loomis' Trigonometry; Surveying; Navigation; four hours a week.
German.—Three hours a week.
English.—Bunyan; Essentials of English Grammar; Genung's Rhetoric; two hours a week.
Natural Science.—Gage's Physics; three hours a week.
Bible.—One hour a week.
Rhetorical Drill.—One hour a week.

SECOND TERM.

Latin.—Cicero de Senectute et de Amicitia; Collar's Composition; four hours a week.
Mathematics.—Spherical Trigonometry; Analytical Geometry; four hours a week.
German.—Three hours a week.
English.—Genung's Rhetoric; Composition; Outlining; three hours a week.
Natural Science.—Gage's Physics; three hours a week.
Bible.—One hour a week.
Rhetorical Drill.—One hour a week.

Junior Year.

FIRST TERM.

Natural Science.—Sedgwick and Wilson's Biology; three hours a week: Remsen's Chemistry; two hours a week.
English.—Shakespeare; Milton; four hours a week.
Logic.—Jevon's; five hours a week.
French or German.—Three hours a week.
Bible.—One hour a week.
Rhetorical Drill.—One hour a week.

SECOND TERM.

MATHEMATICS.—Olmsted's Astronomy; three hours a week.
NATURAL SCIENCE.—LeConte's Geology; three hours a week: Remsen's Chemistry; four hours a week.
ENGLISH.—History of English Literature; five hours a week: Guizot's Civilization; three hours a week.
FRENCH OR GERMAN.—Three hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

Senior Year.

FIRST TERM.

PHILOSOPHY.—Porter's Human Intellect; five hours a week.
POLITICAL ECONOMY.—Andrews' Economics; two hours a week.
ENGLISH.—Trench's Study of Words; two hours a week.
LAW.—Andrews' Constitution of the United States; three hours a week.
FRENCH OR GERMAN.—Three hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

SECOND TERM.

PHILOSOPHY.—Gregory's Christian Ethics; three hours a week.
THEOLOGY.—Natural Theology; Evidences of Christianity; four hours a week.
LAW.—Woolsey's International Law; three hours a week.
FRENCH OR GERMAN.—Three hours a week.
BIBLE.— One hour a week.
RHETORICAL DRILL.—One hour a week.

Latin-Scientific Preparatory Course

Junior Year.

FIRST TERM.

LATIN.—Comstock's First Latin Book; Harkness' Grammar; five hours a week.
MATHEMATICS.—Arithmetic; Intellectual Arithmetic; five hours a week.

ENGLISH.—Grammar; Word Study; five hours a week.
GEOGRAPHY.—Five hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

SECOND TERM.

LATIN.—Comstock's First Latin Book; Harkness' Grammar; five hours a week.
MATHEMATICS.—Milne's High School Algebra; five hours a week.
ENGLISH.—Waddy's Rhetoric; Word Study; five hours a week.
NATURAL SCIENCE.—Houston's Physical Geography; three hours a week.
BIBLE.—One hour a week.
RHETORICAL DRILL.—One hour a week.

Senior Year.

FIRST TERM.

LATIN.—Cæsar; Collar's Composition; five hours a week.
ENGLISH.—Word Study.
BOOK-KEEPING.—Five hours a week.

Maryville College.

HISTORY.

Maryville College is a venerable institution. It this year celebrates its seventy-sixth anniversary, for it was founded in 1819. It was born of the moral and spiritual needs of the earliest settlers of East Tennessee, —chiefly Scotch-Irish Presbyterians—and was designed to educate for the ministry men who should be native to the soil. The grand motive of the founder may be stated in his own words: "LET THE DIRECTORS AND MANAGERS OF THIS SACRED INSTITUTION PROPOSE THE GLORY OF GOD AND THE ADVANCEMENT OF THAT KINGDOM PURCHASED BY THE BLOOD OF HIS ONLY-BEGOTTEN SON, AS THEIR SOLE OBJECT." Inspired by such a motive, Rev. Isaac Anderson, D.D., gathered a class of five in the fall of 1819, and in prayer and faith began the work of his life. In forty-two years the institution put one hundred and fifty men into the ministry. Its endowment, gathered by littles through all these years, was only sixteen thousand dollars.

Then came the Civil War, and suspended the work of the institution for five years, and the College came out of the general wreck with little save its good name and precious history.

After the war the Synod of Tennessee, moved by a spirit of self-preservation and by a desire to promote Christian education in the Central South, resolved to revive Maryville College. The institution was reopened in 1866. New grounds and new buildings were an imperative necessity. To meet this need, sixty-five thousand dollars were secured, and the College was saved from extinction. In 1881 a few generous friends contributed an endowment fund of one hundred thousand dollars. Four years ago Daniel B. Fayerweather bequeathed to the College the sum of one hundred thousand dollars, to which munificent bequest the residuary legatees added the generous amount of fifty thousand dollars. Of this one hundred and fifty thousand dollars more than half has already been received. These magnificent donations have enabled the institution to enlarge its work and to enter upon a new era of usefulness and influence. More than two thousand students have been in attendance since the war. Of these, one hundred and forty-nine have graduated in

ANDERSON HALL.

the Classical Courses. Nearly seventy of these Alumni have entered the ministry. Nineteen Alumni and undergraduates have been or are missionaries in Japan, China, Corea, India, Persia, Syria, Africa and Mexico. Several are laboring in missions on the Western frontier. All the Alumni are engaged in honorable pursuits. Students who have gone from the College to theological, medical and legal schools, have usually attained a high rank in their classes. Seven of the eighteen annual first-honor medals offered in the Medical Department of the University of Tennessee, at Nashville, were won by former students of Maryville College. A goodly number of the Alumni are now studying in theological seminaries.

The necessary expenses are so phenomenally low as to give the institution a special adaptation to the middle class and to the struggling poor—the great mass of the surrounding population.

The privileges of the institution are open alike to all denominations of Christians.

LOCATION.

Maryville is a pleasant and thriving town of about two thousand five hundred inhabitants. There is no saloon in Blount county. Maryville is widely known as "the town of schools and churches". It is the present terminus of the Knoxville and Augusta Railroad, and is sixteen miles distant from Knoxville. Knoxville is approached from the South and West via Chattanooga, or Dalton, or Marietta; from the North and Northwest via Junction City (Danville) and Jellico, or via Harriman Junction, or via Cumberland Gap; from the Southeast, via Asheville; from the Northeast, via Lynchburg and Bristol. A hack line also connects with Chandler's, a station on the Marietta and North Ga. R. R., six miles distant from Maryville.

GROUNDS AND BUILDINGS.

The College grounds consist of two hundred and fifty acres, and for beautiful scenery are not surpassed by any in the country. They are elevated and undulating, covered with a beautiful growth of evergreens and with a noble forest, and command a splendid view of the Cumberland mountains on the north, and of the Smoky mountains on the south.

The location is as remarkable for its healthfulness as it is for its beauty. The campus affords the choicest facilities for the development of athletics.

On these grounds there are seven buildings, which were erected at a cost of eighty-four thousand dollars.

The central building is adapted to college purposes and is used exclusively for them. In honor of the founder of the institution it is called ANDERSON HALL. The large addition to this Hall, THE FAYERWEATHER ANNEX, forty by ninety feet in size, is occupied by the Preparatory Department, and has added greatly to its success. BALDWIN HALL, named in honor of the late John C. Baldwin, of New Jersey, is occupied by the young ladies. Not long since it was thoroughly renovated, without and within, and with its new paint, papering and wainscoting, presents a very attractive appearance. The reception parlor has recently been refitted. In this Hall accommodations for board are provided by the Coöperative Boarding Club for all the members of the institution who choose to board there. MEMORIAL HALL is occupied by the young men. These Halls are large and convenient, well lighted and ventilated, and will accommodate one hundred and thirty students. The College buildings are connected with the electric light system of the town. The College also owns two PROFESSORS' HOUSES. The LAMAR MEMORIAL LIBRARY building is spoken of on another page. THE PRESIDENT'S RESIDENCE was provided in 1890 by a munificent gift of Mrs. Jane F. Willard. It adorns College Hill and is a valuable property. It bears the following inscription:

PRESIDENT'S HOUSE,
ERECTED AS A MEMORIAL OF HER HUSBAND,
SYLVESTER WILLARD, M.D.,
BY
MRS. JANE F. WILLARD,
1890.

Work has been begun on the extensive system of walks and drives that has recently been surveyed and mapped out by a competent civil engineer. It is expected that before many years the grounds, so beautiful by nature, will be rendered doubly attractive by art.

ADMISSION TO THE COLLEGE.

Candidates for admission to the Freshman Class that have taken their preparatory course elsewhere, will be examined in the studies pursued by the Senior Class of the Preparatory Department of this College, or in their equivalents, unless they bring certificates that will be satisfactory to the Faculty.

Candidates for admission to the Sophomore, Junior and Senior Classes are examined in the studies that have been pursued by the class which they wish to enter, or in others equivalent.

Those bringing certificates of dismission from another college may, upon proof of their qualifications satisfactory to the Faculty, be admitted to a corresponding standing in this College.

Those students who are absent from their classes for a part of the year must sustain a satisfactory examination in the studies pursued by the class during their absence before they can reënter it.

Students who desire to pursue only a part of the studies of any course laid down in this catalogue may be allowed to do so in connection with the regular classes by special permission of the Faculty. Candidates for admission and students who in any examination receive conditions, will be required to cancel them within the time designated by the Faculty. No student will be allowed to discontinue a study except as he secures permission from the Faculty to do so.

Every student who offers himself for admission must present a testimonial of good character from some responsible person.

MUSIC.

Provision is made so that all students may attend a class drill in Vocal Music. The results of the drill in this department during the past year have been most gratifying. During the coming year an additional instructor will be provided.

Miss Flora Henry, B.L., has had charge of the department of Instrumental Music. Her pupils have been making excellent progress during the past year. A pleasant room in Anderson Hall has been neatly fitted up by the College for the Music Room, and an expensive and rich-toned piano placed in it. Another piano has been purchased, and now occupies a room adjacent to the principal Music Room. There is also a piano in the Music Room at Baldwin Hall that is used by the young ladies of that Hall in their daily practice. The following students have taken instrumental music under Miss Henry during the past year:

Mary Bruce, Blanche Cardwell, Nellie Carmelia, Pearl Clemens, Stella Crawford, Clemmie Ford, Mamie Gamble, Myrtle George, Annie Goddard, Ilia Goddard, Rena Goddard, W. S. Green, Beatrice Grey, Maggie P. Henry, Augusta Hood, Cornelia Howard, Albert Huddleston, Addie Kidd, Annie Kidd, Lulu Koch, Nettie Lord, Mary Lytal, Maggie McCampbell, Amelia McCay, Carrie McClung, Nora McNutt, Helen Minnis, Anna Newby, Emma Parks, Ida Parsons, Emma Proffitt, Texanna Sherrill, Julia Smith, Frank Toof and A. K. Whitlock.

RHETORICAL DRILL.

All students of the College, meeting in different classes, participate in the weekly rhetorical exercises. One essay and one declamation each

month are required of all. By means of text-books and class-room work students are given an opportunity to acquire a scientific knowledge of the principles of vocal expression. Practice is given to exercises that promote voice power, clear articulation, correct modulation, and compass and purity of tone. During the spring Prof. Byron W. King, of Pittsburgh, Pa., gave a course of ten lessons in elocution, which were very largely attended. So satisfactory was Prof. King's work that it is earnestly hoped that another course of lessons may be arranged for, to be given next year.

ELECTIVE STUDIES.

Any student may, if the Faculty consent, pursue any study not in his course, provided always that it does not interfere with his regular work.

Whenever a class of sufficient size can be formed, a year's instruction in Hebrew will be given.

Spanish is an elective study. Several students have taken it under Prof. Wilson during the present year.

Prof. Waller offers Calculus as an elective study.

DEGREES.

The Degree of BACHELOR OF ARTS is conferred upon all graduates of the Classical Department. The Degree of MASTER OF ARTS is conferred upon any BACHELOR OF ARTS who has been engaged in literary or scientific pursuits for no less than three years since his graduation, and who has during that period sustained a good moral character.

The Degree of BACHELOR OF LETTERS will be conferred upon those who have completed the Latin-Scientific Course of study.

The Degree of BACHELOR OF SCIENCE will be conferred on graduates of the English-Scientific Department.

Students that do not take a regular course, may, upon a satisfactory examination, be granted a certificate with regard to their proficiency in the studies they have pursued.

The following degrees were conferred at the last annual Commencement, May 30, 1894: A. B.: Samuel Ward Boardman, Jr., Campbell Sheddan Cunningham, Lorenzo R. Foster, Robert Calison Jones, George Henry Lowry, Frank Heely Marston, Samuel Pierce Minnis, Robert Andrew Parham and Robert Pierce Walker. B. L.: Jennie Stella Eakin. B. S.: Lou Goddard, Anna Huffstetler and Cenith Moore. The honorary degree of D.D.: Rev. Thomas Theron Alexander, of Japan.

THE WALK VIEW.

GRADING.

A uniform system of grading is employed, upon the results of which depends the promotion of the student from one class to another.

The Faculty meet every week of the college year, and receive reports of the work done in all the departments and of the delinquencies of individual students. Every month a record is made of the standing of each student, which is sent to his parents or guardian at the end of each quarter.

RELIGIOUS EXERCISES.

The College is preëminently a religious institution. All its instructors are in deepest sympathy with the doctrine that the culture of the soul is of the first importance. The history of the past has been one of gracious revivals. It has become a time-honored custom to devote ten days every February to a series of services in which the claims of God upon the young are forcibly presented by some approved minister. The lessons assigned are abridged during the continuance of the services. So greatly have these meetings been blessed that the College year closes with almost all the students numbered as professing Christians. Besides the daily worship conducted in the Chapel, religious services are held every Tuesday evening, at which a professor of the College presides. The Y. M. C. A. and Y. W. C. A., established and conducted by the students, exert a most salutary influence upon the entire College. The Y. M. C. A. meets in its new room in the FAYERWEATHER ANNEX. The Y. W. C. A. meets in the parlors at BALDWIN HALL. The past year has been one of prosperity in the history of these Associations. The officers of the Y. M. C. A. have been: President, F. A. Penland; Vice-President, L. S. Sexton; Corresponding Secretary, S. B. Parker; Recording Secretary, J. H. Newman; Treasurer, Kin Takahashi. The new officers are: President, Edward Montgomery; Vice-President, J. H. Newman; Corresponding Secretary, John C. Crawford; Recording Secretary, Fred S. Campbell; Treasurer, L. S. Sexton. The officers of the Y. W. C. A. are: President, Miss Cora B. Caldwell; Vice-President, Miss Minnie Swan; Recording Secretary, Miss Minnie Freeman; Treasurer, Miss Addie Kidd. A building for the Y. M. C. A. is greatly needed. Combined with the much-needed gymnasium, it would be a Godsend. The students have determined to secure the building, and have organized for victory.

BIBLE STUDY.

Systematic study of the English Bible is part of the permanent College curriculum. During the past year all the professors and instructors have had weekly classes for the study of the Scriptures. The inter-

est in the classes is deepening every year. It is expected that every part of the Word of God will be brought under careful examination. The text-book employed has been Steele's Outlines of Bible Study. A generous gift of the Misses Willard—$200, to be expended in providing text-books and other aids for Bible study—has been of great assistance in developing this department of study. In the Junior years of the Classical Course the Bible study is devoted to the New Testament in Greek.

SOCIETIES.

The four Literary Societies connected with the institution are of the greatest benefit to those who faithfully avail themselves of the advantages they offer. The BAINONIAN, established in 1875, and the THETA EPSILON, established in 1894, are composed of young ladies; the ATHENIAN, established in 1868, and the ALPHA SIGMA, established in 1882, are composed of young men. Three of these organizations have neatly furnished rooms—the BAINONIAN in the FAYERWEATHER ANNEX, the ATHENIAN and the ALPHA SIGMA in ANDERSON HALL—where they meet every Friday night to engage in debates and other literary exercises. All the societies give a public midwinter entertainment. During the past three years the ATHENIAN and the ALPHA SIGMA Societies have each sustained "Junior" Societies for the special benefit of the less advanced students. The ADELPHIC UNION LITERARY SOCIETY, which is composed of the Societies already mentioned, gives an annual public entertainment during Commencement week.

THE LAMAR MEMORIAL LIBRARY.

The Lamar Memorial Library Hall was erected in 1888 at a cost of five thousand five hundred dollars, which amount was generously provided by three friends of Professor Lamar and of the College. The building is a model in every respect. It is a noble and fitting monument. The large memorial window contributed by the brothers and sister of Professor Lamar holds the central position.

The Library itself is now one of the largest in East Tennessee. Several hundred volumes have been added during the past year. The entire number of books now on the shelves is over ten thousand. A reference alcove is open six hours every day, while the entire Library is open three hours every day for the drawing of books. The advantages of the Library are entirely free to the students of all the courses. The results of the use of the Library are manifest in the increased literary culture and general information of the students, and in their better preparation for their forensic exercises.

The Lamar Library.

Interior of the Lamar Library.

The Librarian gratefully acknowledges the following donations received during the current year: Rev. A. N. Carson, D.D., interest on note, $10.50; Rev. W. H. Bates, 176 books and freight charges; Fordyce Grinnell, M.D., 1 book; Rev. T. T. Alexander, D.D., pamphlets; Mrs. W. H. Henry, 1 book; Rev. D. Stuart Dodge, D.D., 20 books; Rev. J. A. Silsby, pamphlets; Rev. J. B. Porter, 3 books and pamphlets; Miss Hattie E. Everett, 22 books; George E. Raum, 1 book; Warren Holden, 1 book; Rev. S. W. Boardman, D.D., 8 books and pamphlets; Hon. John C. Houk, M.C., many favors; U. S. Government Departments, many books; Hon. John C. Branner, pamphlets; Prof. S. T. Wilson, 2 books; many unbound pamphlets from different donors.

JAMES R. HILLS LIBRARY.

During the past seven years the students have enjoyed the privileges of the James R. Hills Memorial Loan Library. By a fund of six hundred dollars, generously contributed by Miss Sarah B. Hills, of New York, the College is enabled to rent the text-books used in the institution to those who cannot afford to buy them. The rate charged per term is one-fifth the wholesale price of each book. The income of rentals is devoted to supplying new books as they are needed. The usefulness of this library can hardly be overestimated.

JOHN C. BRANNER LIBRARY.

Four years ago John C. Branner, Ph.D., State Geologist of Arkansas, gave another proof of his generosity and friendship to the College by establishing a Loan Library of the text-books used in the Natural Science Department. He contributed one hundred dollars for this purpose. The books in this library are under the same regulations as are those of the Hills Library.

THE MISSES WILLARD LIBRARY.

Through the generosity of the Misses Willard, of Auburn, N. Y., the text-book employed in the Bible classes is also provided for rent at a nominal charge.

APPARATUS.

To the liberal supply of chemical and physical apparatus previously on hand there have been made important additions during the past year,

two hundred and thirty dollars having been spent for chemical apparatus and supplies. The needs in this line are still great, and we call attention to the splendid opportunity here offered to benefactors and friends of the College to increase still further its facilities and usefulness.

THE NATURAL SCIENCES.

The order of studies in this department has been reärranged and, we believe, greatly strengthened. The student is taught to perform experiments for himself, and to carry on his work of investigation in a careful and logical manner from the first.

The work of the past has proved the superiority of laboratory methods over that of reciting descriptive texts alone. The time allotted to any branch is judiciously divided between experimental and descriptive work.

It is the aim of this department to furnish ample opportunity for such kinds of work and for the use of such methods as will make the student careful, systematic and thoughtful, and at the same time enable him to see more clearly the hand of the Creator in every form of nature.

During the past year the Natural Science Department has occupied for the first time three convenient and pleasant rooms in the Fayerweather Annex. The laboratory facilities are especially good, and the experimental work of the students has been rendered more satisfactory by the improvements thus introduced.

One of the paramount needs of Maryville College is funds for the erection and equipment of a building for the specific use of the department of the Natural Sciences.

May not this be a God-given opportunity for some philanthropic man or woman to assist the cause of Christian education in this beautiful, but struggling, South Land?

MUSEUM.

A valuable museum of specimens of large variety is already owned by the College. These specimens facilitate greatly the study of the Natural Sciences.

A fine collection of relics and curios from our own and foreign lands is included in the museum. These are a great aid as illustrations to history and travel.

Constant additions are being made to the museum. Among the most recent and valuable was the contribution to the department of geology by Mrs. Bates of New York. This is known as The Bates Collection.

It is well classified and occupies a prominent place in the museum, and has received important additions this year, including a cross studded with minerals.

Among other additions to the museum are some valuable East Indian curios presented by Mrs. L. B. Tedford; and a Hawaiian royal necklace, and a Japanese Fish God, presented by President Boardman.

The College thankfully acknowledges such donations as these, at the same time soliciting further contributions for greater efficiency in our work of training young men and women for higher and more responsible positions in life.

ALUMNI ASSOCIATION.

This Association was formed in 1871, and holds its annual meeting on Thursday of Commencement week. The officers for the present year are as follows: President, Rev. W. C. Broady, '83; Vice-President, Mrs. Mary T. W. McTeer, '75; Secretary, Rev. Prof. S. T. Wilson, '78. Last Commencement the Association celebrated, with appropriate exercises, the seventy-fifth anniversary of the establishment of the College.

ATHLETIC ASSOCIATION.

This Association, organized to develop and systematize athletic sports and gymnastic exercises, has had a prosperous year. Manly men are the leading spirits in the organization. The officers are as follows: President, John A. McCulloch; Vice-President, Clement E. Wilson; Secretary, W. S. Green; Treasurer, Harvey B. McCall. The Association is making a strenuous effort, in union with the Y. M. C. A., to secure a Gymnasium and Y. M. C. A. Hall.

TERMS AND VACATIONS.

There are two terms in the collegiate year, the first extending from the first of September to about the 23d of December, and the second from the first of January to the last Thursday of May.

EXPENSES.

The endowment enables the College to make its charges very moderate. Students rooming in College buildings each pay for room rent $3.00 per session, or $6.00 for the year. The tuition bill is $5.00 per ses-

sion, or $10.00 for the year. The heat bill in the Halls is $3.00 per term. No other charges except for music. There are no incidental fees.

No deduction will be made for absence at the beginning and the close of the terms. College bills must be paid invariably in advance. Until this condition is complied with, no one can become a member of any of the classes. All students who wish to room in Memorial Hall are required to make a deposit of fifty cents with the Janitor. This sum is a pledge that the room taken will not be abused, and it will be returned to the student at the end of the term if no damage has been done the room.

Lights and washing, per term, will cost about $6.00; board in the Coöperative Boarding Club, cost per week, about $1.20, while board in private families, including furnished room, fuel, lights and washing, can be had for from $2.00 to $3.00 per week. The charge for instruction upon the piano or organ, per quarter (twenty lessons) is $5.00; and for the use of the piano, per term, $3.00 to $5.00. The Coöperative Boarding Club is spoken of below.

The rooms in Baldwin Hall are furnished with stoves, bedsteads, wash-stands and tables. The rooms in Memorial Hall were once furnished by the College, but hereafter the young men must provide any article that may be missing. Students must supply their own bedding.

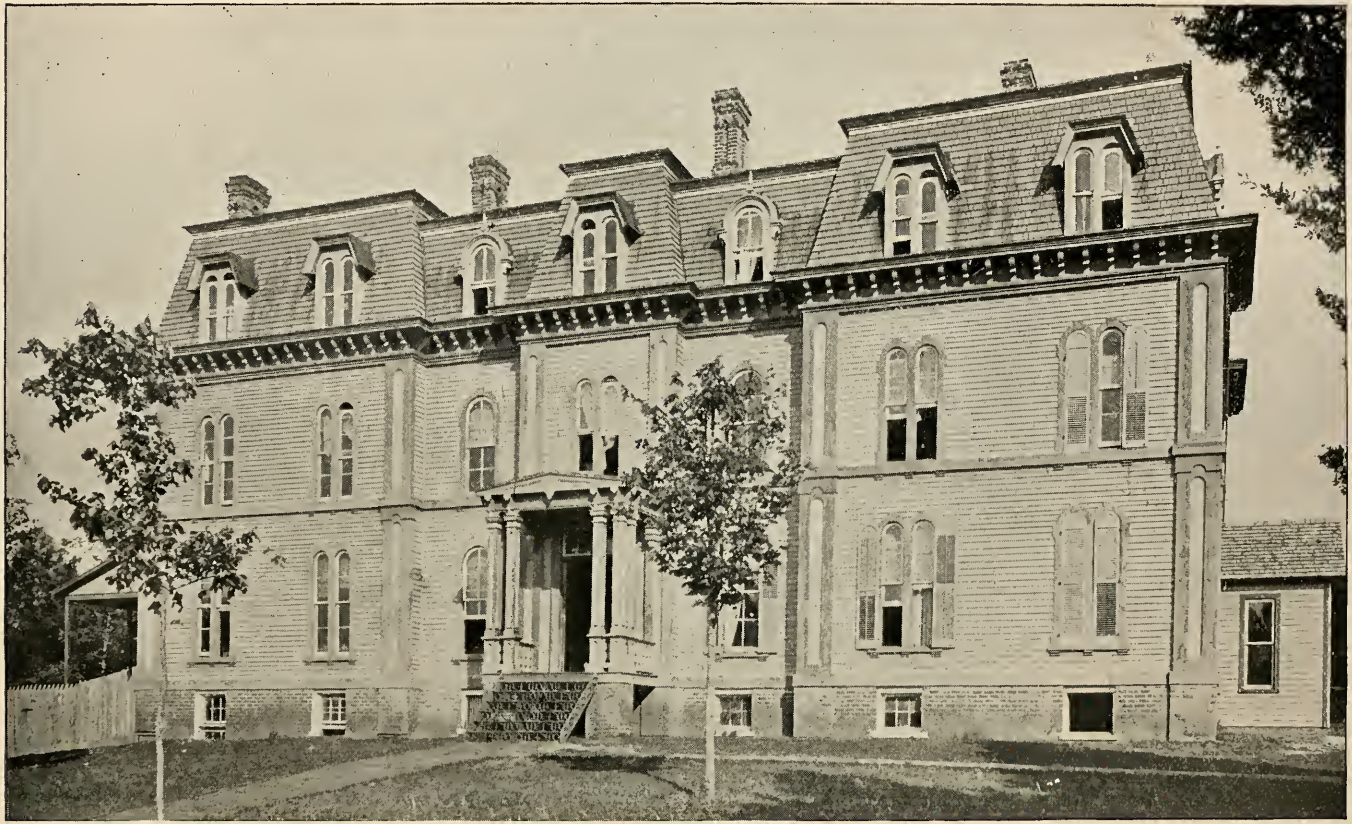
The entire expense for the students for board, tuition, room rent, fuel, light and washing, for the collegiate year, will be from $60.00 to $120.00. This estimate is made on the supposition that two students occupy one room.

STUDENTS' COÖPERATIVE BOARDING CLUB.

The Students' Coöperative Boarding Club, under the efficient charge of Mrs. A. A. Wilson, of the Mt. Nebo summer resort, has again been very successful in furnishing good board at a very low rate. The actual cost of the board is found at the end of each month, and *the average price has been less than $1.20 per week during the year.* The students have shown their appreciation of the Club, and more than one hundred and eighty have belonged to it. The young ladies have the privilege of doing a certain amount of work, and receiving credit for it, thus materially reducing the cost of their board. It is doubtful whether any other College in the South can offer such good board at such low rates.

THE STUDENTS' FUND.

Recognizing that one of the pressing needs of the College is scholarships, twenty-five friends of the College contributed $410.15 last year, to



BALDWIN HALL.

form what was called the Students' Fund. This money was placed at the disposal of the Faculty with the understanding that it should be used to help needy and deserving students, and that those aided should work out the amount received upon the College grounds at the rate of seven and one-half cents per hour. Forty-seven students, during the year, have earned money from this fund by doing faithful and conscientious work upon the Campus. It is hoped that a larger number of the friends of the College will become interested in this plan for aiding worthy students, and that an increased sum may be raised for this purpose for the coming year.

ABSENCE FROM THE COLLEGE.

It is very important that students should be present at the beginning of each term and continue to the end of it. Parents are requested not to withdraw their sons and daughters towards the end of the year, without consulting the Faculty. Only in cases of extreme necessity should a student leave his studies just before the close of the collegiate year. Rooms in the College buildings will be reserved especially for those who intend to remain to the end of the year.

ADMINISTRATIVE RULES.

Students are not allowed to keep fire-arms in their rooms.

The use of tobacco on the College grounds and in the College buildings is forbidden, and no student addicted to its use will be allowed to room upon the College premises. One violation of this rule will be deemed sufficient to exclude a student from Memorial Hall.

All unexcused delinquencies are registered; and when the number amounts to fifteen, notice thereof is given to the student, and to his parents or guardian. When the sum of unexcused delinquencies and demerits amounts to twenty-five, the student ceases to be a member of the College. A delinquency is a failure to perform any College duty.

Students are also dismissed whenever, in the opinion of the Faculty, they are pursuing a course of conduct detrimental to themselves and to the College.

Students are not allowed to absent themselves from the College without permission from the Faculty.

Students are not permitted to engage in dramatic entertainments, and must secure special permission before engaging in any entertainment outside the College.

Students from other institutions cannot be admitted into this College unless honorably dismissed by their former instructors.

Prayers are attended in the College Chapel in the morning, with the reading of the Scriptures and with singing; and the students are required to attend public worship on the Sabbath, and to connect themselves with a Bible Class in some one of the churches in town.

Students are not allowed to patronize the Sunday train. No new student will be received on the Sabbath.

BEQUESTS AND DEVISES.

Since each State has special statutory regulations in regard to wills it is most important that all testamentary papers be signed, witnessed and executed according to the laws of the State in which the testator resides. In all cases, however, the legal name of the corporation must be accurately given, as in the following form:

"I give and bequeath . . . . to the 'BOARD OF DIRECTORS OF MARYVILLE COLLEGE,' at Maryville, Tennessee, and to their successors and assigns forever, for the uses and purposes of said College, according to the provisions of its charter."

SPECIAL NEEDS.

Some of the special needs of the College are a building for the use of the Y. M. C. A. and for a Gymnasium, and a building and equipments for the Department of Natural Sciences, and scholarships to aid needy students, and books and endowment for the Lamar Memorial Library.

PRIZES.

A gold medal has been offered by a friend to the student in the Freshman or Sophomore Classes in the Classical and Latin-Scientific

Courses, who shall have the highest average grade in the regular studies of the year. A gold medal has also been offered by Hon. Will A. McTeer to the student in the Preparatory Departments of the Classical and Latin-Scientific Courses who shall have the highest average grade in the regular studies of his year. These prizes will be conferred at Commencement. The winners of the prizes last year were: College medal, R. Sherman Boardman; Preparatory medal, Charles B. Moore.

Rev. Herbert C. Hinds, of Troy, N. Y., has offered $50 a year, for a series of years, to be divided into four prizes—two first prizes of $15 each, and two second prizes of $10 each—which are given to four members of the graduating class under the following conditions: A first and a second prize shall be given respectively to the young men and the young women who deliver at Commencement the best orations and essays, attention being given to composition and delivery. These prizes shall be awarded by a committee of three persons appointed by the Faculty, and shall be presented at the close of the Commencement exercises.

THE CARSON ADAMS FUND.

This fund, amounting to about seven thousand dollars, was bequeathed to the College by the Rev. Carson W. Adams, D.D., of New York, who died October 12, 1887. "This fund is to be kept in perpetuity by the Trustees of said College, and to be called the CARSON ADAMS FUND. The income from it is to be expended in paying the tuition fees of indigent students, male or female." All applications for aid from this fund must be made in writing to the College authorities, and be accompanied by satisfactory proofs of character and needy circumstances on the part of the applicants.

THE GEORGE HENRY BRADLEY SCHOLARSHIP.

A scholarship of $1000, the income of which is to be used in aid of needy students, has been founded by Mrs. Jane Loomis Bradley, of Auburn, N. Y., to be called the "George Henry Bradley Scholarship," in memory of the only son of the donor and of the late Silas L. Bradley, President of the Bank of Auburn.

It is hoped that this may be followed by a goodly number of such scholarships. They are much needed.

THE NEW HEATING SYSTEM.

A year ago a most complete and satisfactory system of heating and ventilating the College buildings was installed at an expense of $10,000.

All the rooms of Anderson Hall, Baldwin Hall, Memorial Hall and the Lamar Library are heated and ventilated by the "Fan" or Plenum System.

A boiler house has been built between Anderson and Memorial Halls, and in this house two sixty-horse power boilers have been placed, together with a receiver and a pump for returning the condensed water to the boilers.

Steam is carried in pipes placed under ground to the basements of the different buildings, into batteries of radiators or coils of steam pipes placed closely together.

Fresh air is driven over these coils of steam-heated pipes by means of a large fan operated by an engine, and the air thus heated is forced into galvanized iron pipes and distributed to the different rooms. Sufficient heated air is forced into every room to charge the air in the room four times an hour, and ventilating ducts allow the vitiated air to escape.

The action of this system does not depend upon atmospheric conditions, direction or force of the wind; and by forcing fresh, heated air under pressure to every room, uniform results are secured.

This system of heating and ventilating not only diminishes the fire risk, but is conducive to health, especially to those who room in Memorial and Baldwin Halls.

IMPROVEMENTS.

Among the improvements made during the year are a system of waterworks, by which water from a stream passing through the College grounds is carried throughout the different buildings; and the fitting up of a number of bath-rooms in the two dormitories. Students now do not have to carry water or fuel up flights of stairs.

It is expected that during the coming vacation an annex to Baldwin Hall will be erected to meet the pressing need of increased accommodations for the Coöperative Boarding Club and for the young ladies. During the present year a house located near the College was rented to accommodate the young ladies that could not find rooms in Baldwin

The President's Residence.

Interior of the President's Study.

Hall, but it is hoped that the annex will, next year, provide accommodations for all that apply.

Fifty-nine more names were enrolled this year than in any previous year. The rapid growth of the institution severely taxes the ability of the College to care for the increased numbers. New buildings are needed.

SYNODICAL EXAMINING COMMITTEE.

The Rev. J. T. Cooter, Hon. J. P. Smith, Revs. R. R. Sutherland, D.D., W. A. Ervin and W. J. Trimble, D.D., compose the committee appointed by the Synod of Tennessee to attend the annual examinations of the College for the current year.

Calendar for 1895-96.

1895.

May 30,	Commencement	Thursday.
Sept. 4,	Entrance Examinations	Wednesday.
Sept. 5,	First Term begins	Thursday.
Nov. 28,	Thanksgiving	Thursday.
Dec. 17,	Examinations begin	Tuesday.
Dec. 19,	First Term closes	Thursday.

1896.

Jan. 2,	Second Term begins	Thursday.
Jan. 30,	Day of Prayer for Colleges	Thursday.
Feb. 22,	Washington's Birthday	Saturday.
May 20,	Examinations begin	Wednesday.
May 24,	Baccalaureate Sermon	Sabbath.
May 24,	Address before the Y. M. C. A. and Y. W. C. A.	Sabbath.
May 25,	Address before the Adelphic Union	Monday.
May 26,	Annual Exhibition of the Adelphic Union.	Tuesday.
May 27,	Annual Meeting of the Trustees, 9 A.M.	Wednesday.
May 27,	Concert	Wednesday.
May 28,	Commencement	Thursday.
May 28,	Annual Meeting of the Alumni	Thursday.
May 28,	Social Reunion	Thursday.
